Trustee Garrison called the meeting to order at 7:00 PM noting a quorum of the committee was present.

The committee discussed the current state of the 2007 Ford Crowne Vic that Chief Stone uses for response to fire/rescue calls as a command vehicle. The vehicle is in need of extensive and expensive repairs and Chief Stone is recommending that the vehicle be replaced with another quality used 4 wheel drive vehicle. Discussed the FAST agreement with Silvis and Carbon Cliff/Barstow Departments in responding to calls and the need for Hampton to retain a command vehicle. Chief Stone knows of a Jeep Cherokee that is available. He will have Jamie King, a teacher at the Regional Vocational Center auto mechanics class check it out.

The committee also discussed purchasing a replacement rescue type vehicle and getting rid of the 4 door pickup and the rescue squad they currently have in the future.

There being no further business, the meeting was adjourned at 8:30 PM.
