Clerk Toalson reported the Village web site has problems and won't allow minutes and agendas to be posted. Bi-State has been notified, but they are not timely in fixing things. It has been this way since early July. Discussed having someone else design and maintain the web site. Clerk Toalson will try to find someone.

Along with that subject, Clerk Toalson asked about starting an official Village Facebook page. There are problems at time getting important news out to residents, like water main breaks, etc. and this would be another way to inform residents.
