November 2021

A MESSAGE FROM THE VILLAGE PRESIDENT

November is here and it looks like life is returning to normal a little bit more each day. It was great to see so many of you out and about on Halloween. Soon we will all be gathering for Thanksgiving and unfortunately, around the holidays we can suffer some bad weather. I hope we don't see a flake of snow all winter, but that is unlikely. I ask you all to be patient and understanding this winter. We have great people working in the Village Public Works department; however this will be the first snow season for some of them, so please take that into consideration. You can count on them to do their very best for the Village. Steady improvements continue around the Village: our street projects have wrapped up for the year but clean up of dead trees continues along the river. We have begun removing tree stumps from the easements along avenues below the hill. Going forward, is my intention to have stumps removed at the time trees are taken down. If you see me any of the Trustees out about, please don't hesitate to say hello. We do want to hear from you.

Christopher Bornhoeft
Village President
Hampton, IL

HAMPTON YOUTH COMMITTEE DECEMBER EVENTS

The Hampton Youth Committee has been busy making plans for this December. We are currently planning the return of "Movie and Lunch with Santa," which has been scheduled for December 11th. After a bus trip to Geneseo, everyone will have lunch and craft time with Santa Claus.

The Junior High Dance will be making its return on December 10th at the Heritage Center. (The Junior High Dance is for children in 6th through 8th grades.)

Registration forms for each event will be available for all children that live in Hampton and/or attend Hampton Elementary School.

And, we have not forgotten about our high schoolers! Be sure to check our Facebook page for our "Winter Scavenger Hunt" that will be available over winter break.

Updates for all events will be placed on HYC's Facebook page as we work toward providing a fun, friendly and safe for all series of events.

Please contact us with any questions either via Facebook at Hampton Youth Committee or by e-mail hyc.hampton@gmail.com.

Hampton Youth Committee

YOGA AT THE HERITAGE CENTER

Join Mike Tappero every Monday and Thursday evening at 7 p.m. (except major holidays!) at the Heritage Center for a bi-weekly dose of zen. Mike's yoga sessions are good for all age levels and experience levels. You must supply you own mat, blocks and any other items you may need for your practice. Mike is a 500hr certified yoga instructor, He completed his 200hr certification through Indigo Wellness Studio in 2014 and his 300hr certification through Tapas Yoga Shala in 2019. Mike has taught classes at Shine Yoga studio, formerly in Moline, as well as at the Hampton Heritage Center since 2014. Mike currently teaches two mornings per week at Revive Café in East Moline, and two evening classes at the Heritage Center. All classes at the Heritage Center location are by donation only. All donations received from the Heritage Center classes are passed along to animal welfare organizations in the Quad Cities. If you have questions, or just want to see what yoga is all about, please stop by the Heritage Center on Monday or Thursday evenings at 7 p.m. No registration is necessary.

TOYS FOR TOTS DONATION DROP BOXES

Donation drop off boxes will be placed at various convenient locations in the Village. Donations of new toys, books and craft supplies are accepted. All items should be in the original packaging. Used items are NOT accepted.
