# HAMPTON VIEW

Volume 5, Issue 5

May 2022

## A MESSAGE FROM THE VILLAGE PRESIDENT

May is here and the Village officially begins the new fiscal year on the May 1st. I am happy to report that the budget process is complete. Thanks to the responsible management of all department heads and diligent oversight by the Village Board, we find ourselves in good financial standing. As a result of the new budget, you will see the Hampton Police Dept. continue their fine work keeping our streets safe. You will also see street repair projects being undertaken in several areas of the Village. Spring cleanup will be May 13th & 14th. Please take advantage of this opportunity since code enforcement related to trash and refuse will be more vigorous going forward. I will be making a proposal to the Village Board and you, the residents, to secure funding by way of a loan or bond issue that would allow the Village to undertake some major improvements in areas such as the water system, fire equipment, and additional road repairs. I think this course of action may be necessary since we do not seem to be making much headway by just chipping away at small projects each budget year. I will of course keep you informed.

Christopher Bornhoeft  
Village President  
Hampton, IL

Our annual Spring cleanup is back the weekend of May 13th! Dumpsters will be available at Village Hall and Public Works for use by Village resident use only. No appliances, electronics, hazardous chemicals, tires, solvents or paint are accepted and should NOT be placed in the dumpsters. For further details, please check the Village website: [www.hamptonil.org](http://www.hamptonil.org).
