# HAMPTON VIEW

Volume 5, Issue 8

June 2022

## A MESSAGE FROM THE VILLAGE PRESIDENT

On to the summer season at last. With good weather we have the opportunity to get outside and enjoy some of the nice things Hampton has to offer, but I think it's the parent in me that is always going to talk about safety. We have a great river front and lots of boaters this time of year so please lookout for each other. Alcohol and operating a boat are a deadly combination so please have designated driver. I've said it many time but let's really keep an eye for the kids who are now out of school. We seem to have the continuing issue of blowing grass in the street. Again this is so dangerous for bike and motorcycles. As far as village business goes the road work has stated. I'm expecting to see the blacktop work commence in the next few weeks. Public works will be out dropping flags in spots that we are intending to add street lights. I don't have a definitive date yet but I have been in contact with the mini golf course and it looks like they might be opening sometime in June. Please enjoy the short time we have of the summer season and above all be safe and courteous to each other.
