September 2022

A MESSAGE FROM THE VILLAGE PRESIDENT

I hope everyone enjoyed the summertime here in Hampton. It's way too short but as we go thru September the days get a bit shorter but hopefully we will get a nice fall and a slow leaf change over. There are some trees in town that are just stunning in the fall.

As you have seen and heard there will be a question on this November ballot about taking out a bond to bring the fire department up to where it needs to be. The need is great and time is a factor on some of this equipment. I encourage you all to visit the fire station when we have an open house. That date and time is to be determined. Please follow the village Facebook page for that information. I don't have enough room on this paper to get all the details on it. At some point soon I intend to have a large meeting about this and start going door to door if we must. I will answer any and all questions you have. Village hall has all my contact info and I really would like to talk to you.

Hampton veterans: please check in at the Village Clerk's Office so that we can get an accurate count for the Veteran's Day event.

Don't forget that Hampton Methodist Church has another great meal planned for September 14th and Hampton School Fall Fest is September 30th. Stay safe out there.
