A MESSAGE FROM THE VILLAGE PRESIDENT

It's the end of summer and another Hampton Days weekend is in the books. We had another great event and I want to recognize Trustee Ryan Gonzales for really being the point man for this event. We had some great cooperation from the Hampton Youth Committee, Hampton PTA, and the Booster Club. Big thanks again to the Hampton Days Committee as well as our police and fire departments. Our jobs were also made much easier with the help of our Clerk and Public Works Department. The Village wishes to thank past president Vershaw and his wife for all the years of running our Hampton Days car show. Looking to the last part of the year, we have started planning our Veteran's Day luncheon. We will start reaching out to those who attended last year as well as anyone else in the Village who served in the Armed Forces. I imagine it will be very similar to last year, but we will announce those details as we get closer to the holiday. Enjoy these last sun-filled Summer evenings.
