A MESSAGE FROM THE VILLAGE PRESIDENT

Merry Christmas Citizens,

I hope the holiday season has treated you all well thus far. It's the end of the calendar year for us but just over half way of the fiscal year so that feels odd at times. I'm looking forward to seeing the last bit of our fire equipment to arrive in the new year. Of course the new fire truck will be the highlight. We are being told April so let's hope that is the case. There will be some challenges in the new year also. The water rate must be addressed especially since our supplier (East Moline) will be going through a major refit. The board will have some tough decisions on this issue but we will make the best decision based on the available information we have. Make sure to take time to drive are the village and check out the light displays. Even in this season of darkness seeing the lights always gives me hope that the sun will eventually come back. I'm sure by now the 10th Avenue and 6th Street extravaganza is up and going. Be on the lookout this Sunday the 8th for the Santa fire truck parade from 10-1. Again Merry Christmas and Happy New Year. May your families and this Village prosper in the new year!
