

HAMPTON VIEW

Volume 7, Issue 8

August 2024

A MESSAGE FROM THE VILLAGE PRESIDENT

Happy July friends. Summer is upon us but unfortunately we are unable to enjoy the river like most of us are used to. The flooding is just starting at the time of this writing. Our Village-owned pump as well as pumps lent to us by the State have been deployed. We will try to keep the roads dry as long as we can. Work continues on the outside of Village Hall. Because of this, all meetings will be held at the Heritage Center until the work is complete. We also should see some delayed blacktop work throughout the Village. I really try not to repeat myself in these letters but I must again encourage participation in Hampton Days to be held on August 17. This year, we have no conflicting schedule with the East Moline car show, so now the car guys will be able to enjoy both shows but on different days. I hope everyone is enjoying the summer and August can be saved and flood waters down enough to get in some boating and fishing. Take care citizens.

REMINDER TO KEEP FIRE HYDRANTS CLEAR

As a reminder, homeowners with a fire hydrant on their property are required to keep the hydrants free from obstruction of view and use. Hydrants must remain clear from debris, grass, weeds and other obstructions so that fire dept. personnel can easily locate and utilize the hydrants in case of an emergency. Homeowners who believe that a hydrant on your property is in need of repair, please reach out to the Village Clerk and provide the address and location of the hydrant s that it can be evaluated.

2ND ANNUAL HAMPTON YOUTH COMMITTEE COLOR RUN
