Message from the President

Greetings Good Citizens,

It looks like the green is starting to pop here and there all over town. The election is now over and we have two fantastic gentleman joining the board. Marty Johnson and Mike Klauser will be taking over for the departing trustees Paula McKay and Jeff Schneckloth. Trustee Adams retains her seat and I remain Village President for another four years. If you are a fan of this publication that means you are in luck. Four more years of newsletters. I feel very blessed to have always had board members who what to help make this town a better place. As far as village business goes the last budget meetings will be held this month. Our fiscal year ends on April 30th so we will have it wrapped up before then. I'm thrilled to announce that the Hacienda food truck is now in operation in the restaurant lot. They have stated that their goal is to work out of the truck till they can fund repairs to the building.   It won't happen over night but it will hopefully be moving in that direction. Many of you have waited years to get something going at that spot so let's support them. Enjoy your tacos everyone.

Village President
Christopher Bornhoeft
