Greetings Citizens,

Happy Independence Month Hampton. Writing this over the 4th of July weekend and I always reflect this time of year on how our founding fathers took such risks to declare and secure our independence as a nation. Next year we will be 250 years old and I know that there will be nation wide celebrations so I will be looking to see how we as a village can get involved. I do know Hampton did do something for the 1976 celebration so I'm excited to be part of this one. I did see our new 98 rescue truck at the EM 4th of July parade. It is certainly a great looking vehicle and we can't wait to show it to you when we have another fire open house. That date will be announced when the new fire truck arrives. We are hoping it will be in August. Our big August event is fast approaching. Hampton days will be on August 16th. Raffle tickets are on sale for a new Black Stone grill. A full list of events and food vendors will be posted on our village page. As far as other village business goes we have been focusing in on weed and grass ordinances. Thankfully we have seen a decent level of compliance. I hope to see you at Hampton Days 2025 in August.

Christopher Bornhoeft
Village President
