Message from the President

Greetings Citizens,

Hampton Days is upon us once again. August 16th is looking like another great day of activities. The schedule of events can be found of the Hampton days Facebook page and the back of this newsletter. Raffle tickets for the black stone grill can be purchased at Porters as well as the village office for $5.00 each or 5 for $20.00. I hope to see you all there at Heritage Park. The start of August also marks the beginning of another school year. Please be aware of kids walking to school and kids waiting for the bus. We are very blessed to have our wonderful school in the heart of this village. Let's all do our part to make sure it's a safe and successful school year. As far as village business goes we are looking to have our shut off valve installed soon. This will allow us to better isolate the water system for main breaks.

Enjoy these last days of summer and make sure to drop into Hampton Days and say Hello!

Christopher Bornhoeft
Village President
