All board meetings are held
at the Village Hall 520 First
Avenue, Hampton at 6:30pm
unless otherwise noted.

November 10th

November 24th

Message from the President

Greeting Citizens,
Happy Thanksgiving, everyone.

I hope everyone enjoyed **Halloween**. It looks like there was a lot of trick-or-treaters, given that it was Friday night! Next year Halloween falls on Saturday. I'm expecting the same turn out next year.

Here at the Village, we are very much looking forward to hosting our fourth annual **Veterans Day luncheon** on **November 11th** at noon. I hope that everyone who received a letter to attend will be able to make it.

I'm very happy to report that our new fire engine has finally arrived. If you were on top of the hill trick-or-treating, you probably saw it at the park. I do know that the fire department is planning on having a open house to show all of our new equipment. Look for that date to be posted. Just to give an idea how long it takes to build a fire truck, the process started in July 2023 and it finally arrived November 2025.

As we get into the colder months, don't forget to disconnect your garden hose from your house so it doesn't freeze your pipe on the inside. Also as a reminder, please make yourself familiar with our snow ordinances, not that we get a lot in November but the potential for snow is just around the corner. We want make sure we're able to plow efficiently when we do get a snow event.

I hope you enjoy your Thanksgiving with your family.

Christopher Bornhoeft
Village President

FROM THE NEW CODE OF ORDINANCE BOOK.

36.04.060 Snow Removal

Policy. It is the policy of the village that snow removal from the public ways of the village shall not be required where there is less than two inches of snowfall.

Parking restrictions. There shall be no parking upon any public way on any day when there has been snow accumulated to a depth of two inches or more. This prohibition shall be in effect until the village maintenance crews have cleared the public way and the snowfall has ceased for that day. The presence of operating village snow removal equipment on the public ways of the village shall be conclusive evidence of two inches of snowfall. Vehicles in violation of this section will be ticketed by the assigned village department and towed away.

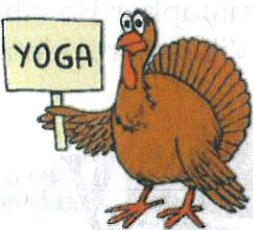

Depositing snow on public ways prohibited. No person shall clean private drives or sidewalks in such a manner that shall result in the deposit of snow into the public ways due to the snow removal from such private drives or sidewalks. Further, with the exception of village employees, in the course of their employment duties, no person shall shovel, push, plow or place, in any way, gravel or debris onto another property or right-of-way.

Hampton Youth Committee

Thank you to our Boo Bashers for an exciting night on October 24th! It was great to see so many of you in your Halloween finest.

HYC has several events upcoming in December-we start with the Jr High Masquerade Dance on the 12th, followed by our Craft with Santa on the 13th. Both events are at the Heritage Center. Details will be available on our Facebook page and handouts that will be going out around Thanksgiving.

We are adding a new event in December that will be at Hampton Elementary School- "Grinch Unslumber Party". We are still fine tuning the details but will have those out on Facebook and on handouts within the next 2 weeks. This event is pre-registration only with a maximum number of attendees.

YOGA AT THE HERITAGE CENTER

Mike Tappero offers donation based yoga at the Heritage Center
(donations benefit local animal welfare organizations).

Yoga classes are **every Tuesday and Thursday from 6:30p - 7:30p**
(bring your own yoga mat)
