Message from the President

Greetings citizens!

It's hard to believe that school is already back in session. This will be my yearly reminder that now we will have kids waiting for buses, getting off buses, and walking around the neighborhoods, so please be careful and aware.

We should start seeing some of our road repairs soon. I know it's late summer but the early rain got everybody backed up.

It's also the time of year for Hampton Days! This year's dates are August 21st and 22nd. The concert will be Friday evening, and Saturday will be the car show, kids fishing derby, bags tournament, and the pancake breakfast. We are hoping the weather will cooperate and that we can get the attendance up for this year.

One of the larger issues that we've been working on are E-Bikes, E-Scooters and mini bikes. Some new state laws took affect July 1st and others will take affect January 1st. As a non-home municipality, we have limited power to create ordinances regulating some of these things. We are, however, working on a few things that we will be discussing at the August 10th meeting that we hope will help our situation. With the introduction of E-Bikes it has created some troubles that the law hasn't quite caught up with. We will be working hard to try to keep everyone safe on the road and on their bikes.

I hope to see you all at Hampton Days on Friday and Saturday night. Take care and enjoy the rest of the summer.

Village President
Christopher Bornhoeft
