Acknowledgement of Visitors Who Desire to Address the Board: Sharon Debo, 412 10th Avenue was present and informed the Board that there were a lot of people burning last Sunday even though Village Ordinance prohibits burning on Sundays and Mondays. Ms. DeBo stated that if the Village isn't going to enforce the burning ordinance, maybe they should get rid of it. Chief Engle stated that if they see burning on non-burn days, they take care of it, but they can't be everywhere at once. If someone sees burning going on on non-burn days, they should call the police.

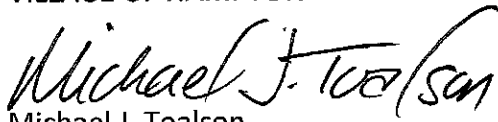

Ms. DeBo also expressed her concerns with the drainage pipe for the roof of the maintenance building dumping near her property. The contractor is supposed to be getting a price to extend the pipe to the bottom of the hillside for a change order. Ms. DeBo also asked about a corrugated pipe that is on the hillside which does not appear to be attached to anything and also the floor drains in the existing building. The corrugated pipe will be removed. Also, the floor drains in the existing building will not be used in the future.
