**Acknowledgement of Visitors Who Desire to Address the Board.** Mr. Irby addressed the board regarding the fines and liens. If a resident has a broken curb stop the village notifies the resident and allows them 30 days to rectify the situation or the village contracts with a plumber and places a lien. The problem that the village has is the money is coming out of general fund until the owner pays or sells their home. Maybe we could research an Intergovernmental Agreement between the small villages to collect.

March 28, 2022 Minutes

**Discussion, Consideration and Approval to remove the sewer charge on a resident's utility bill due to a busted pipe.** Motion was made by Trustee McKay second by Trustee Gonzalez, discussion as follows. Ms. Eggert came to the meeting a pipe broke in her basement, she does not live at the residence full time. When Public Works arrived to data log the property, the water was running out the back of the house. The water did not pass through the sewer meter. The total bill \$14, 667.59, the proposal was to only remove the sewer charge and a late payment until board decision. Since there was evidence that the water did not pass through our sewer meter, the board ruled in favor of dismissing the sewer charge. Roll call as follows White, McKay, King, Gonzalez, Schneckloth and Adams: "Aye". Motion approved.
